

## **PRESS RELEASE**

**28<sup>th</sup> June 2010**

### **BM TRADA appoints Paul Judd to client support team**

BM TRADA Certification has expanded its technical support team with the appointment of **Paul Judd** as Client Manager, reflecting the growing popularity of BM TRADA's Q-Mark brand. Further appointments will follow.

With a background in engineering, Mr Judd brings more than 20 years' experience in the glass & glazing industry to his new role, including manufacturing, quality & production management and training. His responsibilities will include company audits as part of the stringent Q-Mark product certification process.
