

Air Tightness Testing

Quote Sheet – Buildings other than dwellings

Contact Details	
Contact Name	
Contact Telephone	
Contact Email	

Company Details	
Company Name	
Company Address	

Site Details	
Site Name/Reference	
Site Postcode	
Additional <i>eg Site access issues, out-of-hours, etc</i>	
Number of units	
Estimated Completion Date	
Project stage	Tendering / Contracted

Envelope Area	
Ground floor area (m ²)	
Wall area (m ²)	
'Ceiling area' (m ²) Uppermost boundary between the conditioned and unconditioned space	
<i>(For office use)</i>	

Your architect or SAP assessor may have calculated these figures already.

Alternatively, please include plan drawings, elevations and cross-sections and we will calculate the envelope area for you.

We will calculate/verify envelope area sizes once the job is contracted.
