

Associate Client Managers
(Lead Auditor/ Auditor status)

Locations:

England: North, Midlands and South East Regions

Scotland: All Regions

These roles will be home based although will involve travel to client locations.

The essential requirements are:

- Principal Auditor or Auditor status (IRCA, IEMA or equivalent)
- Expertise in one or more of ISO 9001, ISO 14001, OHSAS 18001, integrated management systems (IMS)
- Full driving licence and a willingness to travel
- A professional, diplomatic and pragmatic approach, with good people and business skills

You will need to demonstrate:

- A comprehensive understanding of Management Systems
- In depth practical experience of the construction sector
- Recognised professional qualification(s) - desirable

You must have a high standard of presentational skills and the ability to enhance our clients' businesses through independent assessment.
