High Wycombe is located approximately 30 miles West of London and is served with excellent road and rail links via the M40 and London Marylebone respectively. Chiltern Fire is situated in an attractive rural location approximately 4 miles north of High Wycombe.

By Road:

1. From the M40 exit at Junction 4 and follow A404 towards High Wycombe.
2. At the roundabouts at the bottom of the hill follow the signs for A4128 Great Missenden (2nd left). This will lead you onto a flyover and to another roundabout.
3. Turn right and continue on the A4128 through traffic lights, past Morrisons and over 3 more roundabouts out of High Wycombe.
4. After about 2 miles (having passed Hughenden Manor on the left) you will reach a further roundabout, go straight over this and the mini roundabout that follows.
5. At the Harrow Pub, follow the road as it bears left. The next turning on the left is Stocking Lane. Take this and Chiltern Fire is 200 yards up on the left.
6. Upon arrival please report to Reception at the front of the house.

By Rail:

There are at least three trains per hour from London Marylebone to High Wycombe, the journey taking approximately 40 minutes. Taxis are available at the station and Chiltern Fire is approximately 4 miles/10 minutes away.

By Air

Heathrow and Luton Airports are both within 30 miles and less than an hour journey time by road.
